IS YOUR ADAPTMENT

Yesterday's Prices Yesterday's Mortgage Rates

These are two reasons why we've sold 124 condominium homes since opening August 15, 1979. At Hunters Glen of Carmel our prices start at \$59,000* and we have 10 3/4% mortgage financing available until December 15, 1979.

Today

Hunters Glen is located in popular Carmel yet priced well below the typical Carmel home. We offer a selection of six elegant floorplans. Economical, efficient, clean gas heat. Adult, maintenance-free surroundings including a luxurious clubhouse and pool. And financing up to 95%.

Tomorrow

If prices keep rising as they have in the past, you will have made a very sound investment indeed. Because Hunters Glen is more than just a nice place to live. It's an investment in the future.
